

## Black Sesame Cream Scrub

Black Sesame Body Cream Scrub containing volcanic sand and walnut powder that remove dead skin cells and promote surface cell renewal. Contains natural moisturizer, Sesame Butter and natural oil from Olive squalane help to improve skin smoothness and maintain natural moisture balance and returns your skin to a more even-toned and younger look. And the delicate fragrance eases tension to leave you feeling relax and restoring the skin to good health.

Ingredients	Properties
<p>1. Sesame Butter</p> 	<p>Sesame butter is obtained from <i>Sesamum indicum</i>. The seeds yield an oil also known as a soothing and gentle emollient. Sesame butter has great moisturizing, soothing and emollient qualities with excellent shelf life. It is beneficial for dry skin.</p>
<p>2. Olive Squalane</p> 	<p>Squalane is present in natural sebum, particularly in healthy young skin. Squalane is derived from olive oil and is a high purity natural; consist of three saturated terpene units. Squalane is an excellent spreading and moisturizing emollient, imparting a natural emolliency to the skin, and soft, silky, velvety feel. Easily absorbed, it leaves the skin smooth, without greasiness and with improved suppleness and flexibility. It has an affinity with the skin and contributes to its protective barrier.</p>
<p>3. Natural Scrub</p>	<p>A finely milled from volcanic sand and walnut powder easily takes away the dead cells and unclogs the pore of your skin without irritation.</p>

### Direction

After cleansing apply Black Sesame Body Cream Scrub all over the body, gently massage with your fingertip in circular movements then rinse off with water completely.
