

Green Tea Body Scrub

Green Tea Body Cream Scrub A body scrub in cream base is fragranced with the Green Tea combined with the small gently scrub particles of walnut and almond powder which gently eliminate dead skin cells, dirt and residue to reveal young and thoroughly cleansed skin. Contains a combination of green tea, and vitamin E acetate which nourish and tone the skin, help to improve skin smoothness and maintain natural moisture balance. Returns your skin to a more even-toned and younger look, and the delicate fragrance eases tension to leave you feeling relax and restoring the skin to good health.

Ingredients	Properties
<p>1. Green Tea Extract</p> 	<p>Japanese Green Tea is extracted from Camellia sinensis. It is a powerful antioxidant that prevent the appearance of visible lines. Helps prevents free radical damage caused by sun exposure and pollution and protect and revitalize the skin. It is very soothing and moisturizing.</p>
<p>2. Vitamin E Acetate</p>	<p>Vitamin E Acetate is a potent antioxidant and moisturizing natural ingredient is ideal for maintaining your skin's moisture, enhancing your skin's elasticity, suppleness and clarity. Protect the skin from pollution and sun's rays.</p>
<p>3. Natural Scrub</p>	<p>A finely milled from walnut and almond powder powder easily takes away the dead cells and unclogs the pore of your skin without irritation</p>

Direction

After cleansing apply **Green Tea Body Cream Scrub** all over the body, gently massage with your fingertip in circular movements then rinse off with water completely.
