

Centella Facial Cream Scrub

Centella Facial Cream this exfoliating facial polisher helps soften the skin prevents skin from dryness and stimulates cell renewal. Micro fibre of loofah powder removes dead skin cell and impurities and promotes surface cell renewal. Contains natural extract Centella, Aloe Vera and Marine Water to gently exfoliate and natural oil help to improve skin smoothness and maintain natural moisture balance and returns your skin to a more even toned and younger look. It will energize and clean every dull area on your body. The skin will be fresh and full of life.

Ingredients	Properties
<p>1. Centella Extract</p> 	<p>Centella Extract is particularly known for its healing properties. This extract is firming, regenerant, healing and anti-irritations. Centella has also a soothing action on skin inflammation. It can be use in the care of 'Orange peel-like' skin. It is therefore used in the drainage of water and adipose overlodes. Centella extract activates the synthesis of collagen fiber, to remodel and firm the skin envelope.</p>
<p>2. Aloe Barbadensis Gel</p> 	<p>Aloe Vera is also known as 'Lily of the desert' and the 'medicine plants'. Aloe Vera gel is the natural juice expressed from the leaves of Aloe barbadensis. Contain high level of mucopolysaccharides, amino acids, minerals and fatty acids. It has moisturizing activity enables water retention at the epidermis level, will help encourage healing and improve circulation, to make your skin smoother and softer, and prevent formation of scars resulting from wounds or skin irritations. Its soothing activities on inflammation are useful in case of sunburns or irritation. Hydrating effect stimulates the fibroblasts, produces the collagen and elastin fibers so that the skin becomes more elastic and less wrinkled.</p>

Ingredients	Properties
<p>3. Mineral Water</p>	<p>Marine Water is a ground sea water which contain high mineral such As calcium, magnesium, zinc and manganese. By it richness in mineral, Marine water stimulates the life of skin cells. Moreover Marine water decreases the inflammatory process and has an anti-free radical action, and thus protects skin cells against harmful chemical.</p>
<p>4. Phytosqualane</p> 	<p>Squalane is present in natural sebum, particularly in healthy young skin. Phytosqualane is derived from olive oil and is a high purity natural; consist of three saturated terpene units. Phytosqualane is an excellent spreading and moisturizing emollient, imparting a natural emolliency to the skin, and soft, silky, velvety feel. Easily absorbed, it leaves the skin smooth, without greasiness and with improved suppleness and flexibility. It has an affinity with the skin and contributes to its protective barrier.</p>
<p>5. Natural Scrub</p>	<p>A finely fibre from Loofah easily takes away the dead cells and unclogs the pore of your skin without irritation.</p>
